

## Background of the Civil War Review

### 1. Differences between the North and South

- a. Even though they were part of the same country, the North and the South were very different places in the days leading up to the civil war. On your quiz there will be statements that describe the North and the South. You will have to use an “N” to identify the statements that describe the North and an “S” to identify the statements that describe the South.

### 2. Compromises

- a. You should be able to name each of the three compromises that we talked about in class.
- b. You should be able to describe how each compromise appeased the North and the South and postponed the fight over slavery.

### 3. Abolitionists

- a. What did abolitionists want?
- b. Who were the abolitionists we talked about in class and how did each of the abolitionists that we discussed fight against slavery?

### 4. Vocabulary

- a. You will have to match vocabulary words with their correct definitions.
